

NATIONAL ASSOCIATION OF STATE TREASURERS

2021 Legislative Conference Monday Networking Event Breakout Rooms

Room One:

The expanding role of 529s in educating America

Hosted by Mary Anne Busse

Room Two:

Climate change and racial equity initiatives: Recently the Biden Administration issued Executive Orders on both topics; how does this impact states as recipients of federal funding?

Hosted by Ron Homer

Room Three:

A discussion about blockchain and bitcoin with a focus on payment processing

Hosted by Mike Nevins

Room Four:

Markets highly valued: what happens going forward and how do pensions prepare?

Hosted by Dave Pollak

Room Five:

When indexes are not cheap: The hidden costs many investors do not see even though they invest a large part of their assets index

Including: data charges, market implementation costs, true exposures are opaque and index not adapted to investor needs.

Hosted by Delia Roges

Room Six:

Tech in the time of COVID: Working remotely effectively and safely

Hosted by Ken Wagers
