

## Public Finance Officials & Experts To Convene Virtually For NAST's 2021 Treasury Management Training Symposium

**(Washington, DC, May 3, 2021)** - Public finance officials and experts from across the country will convene virtually this summer to attend the 2021 NAST Treasury Management Training Symposium (TMTS) Conference. During this virtual event, NAST members will engage with public finance experts and industry leaders on topics that are important to NAST members. This is the premier opportunity for Treasurers and Treasury staff to be on the forefront of trending topics and education in the industry.

There are 9 track options to choose from, or attendees can attend all 9:

- ABLÉ Savings Plans
- Banking & Cash Management
- College Savings Plans
- Financial Education & Empowerment
- Innovations & Trends in the Treasury
- Retirement Security
- State Debt Issuance
- Technology & Cybersecurity
- Unclaimed Property

**About National Association of State Treasurers**

The National Association of State Treasurers provides advocacy and support that enables member states to pursue and administer sound financial policies and programs benefiting the citizens of the nation. Membership is composed of all state treasurers or state finance officials with comparable responsibilities from the United States, its commonwealths, territories, and the District of Columbia. The private sector is represented through the Corporate Affiliate Program that was established to build professional relationships and foster cooperation between the public and private sectors. The association serves its members through educational conferences and webinars, a variety of working groups, policy advocacy, and publications that provide information about developments in public finance.
