23. **Session Title:** What is the title that captures the essence of your session? Please, no more than 10 words.

24. **Session summary:** Please provide a description of your proposed session including any learning objectives and what you hope attendees will take away from the session.

25. **Facilitator:** Please provide the name and contact information of the person who will serve as the session facilitator and work with the NAST ABLE committee to develop and implement this proposal.

26. **Panelists or other contributors:** Please provide the names of any panelist or contributors you believe should be invited to participate in this session. Because your session may be accepted in whole or in part, you may not want to book your panelist until the decisions are released.

27. **Audience who would benefit most from this session:** Please provide a description of the type of individuals who would benefit most from the information. For example, if your suggested session is extremely technical in nature, it may be best for an audience with a certain level of information technology acumen.

28. **Preferred session format:** Please provide a brief description of the session format, including any logistical needs.

29. **Preferred session length:** Please advise if the session is appropriate for one 60 minute session, two 60 minute sessions, one 75-90 minute session or any other time limit that works best for the topic you will cover.

30. Does the session require audience participation or does the session engage the audience in activity? Yes or No. If yes, please explain.

31. **Session presentation:** Provision of a formal presentation is not required for the committee to consider your session idea. However, if you have a presentation available, please upload a session outline or PDF here.
