

NATIONAL ABLE DATA

ABLE plans change the way individuals with disabilities and their families build financial wellness today and plan for a bright financial future by empowering saving and investing for expenses while preserving access to federal means-tested benefits.

Average Account Balance +\$13,000

Before the Achieving a Better Life Experience (ABLE) Act, Americans with disabilities were allowed to have up to \$2,000 before their eligibility for certain government means-tested benefits could be reduced.

National Coverage

100% of eligible Americans have access to an ABLE account.

Tax Benefits

Earnings on ABLE accounts grow free of federal (and most state) income taxes so long as the account is used for Qualified Disability Expenses.

ABLE today, launched by the National Association of State Treasurers, is a national awareness and educational initiative aimed at advancing financial empowerment and community inclusion for people with disabilities through ABLE accounts. ABLE today supports a collaborative, national effort for expanding outreach for ABLE Programs to the disability community and establishing partnerships to promote the positive impacts of ABLE accounts.
